

NUT SETTERS

(ACTUAL PRODUCT NOT SHOWN)

DESCRIPTION:

Long spring clip and magnetic nut setters are available. Long spring clip nut setters use a spring clip to put pressure on screw head in place of a magnetic disc. Spring clip drives are suggested when installing non magnetic fasteners such as 300 series stainless steel fasteners and alloy capped fasteners such as ZAC and MAC fasteners.

INSTOCK SIZES:

Long Spring Clip Nut setters come in 1/4", 5/16" and 3/8" sizes.

Long Magnetic Nut setters come in 1/4", 5/16" and 3/8" sizes

All nut setters come packaged 10 pieces per bag.
