

STAINLESS STEEL WOODGRIP FASTENERS

LONG LIFE

DESCRIPTION:

Stainless Woodgrip is an all stainless wood fastener designed for use with aluminum panels.

- High hex washer head provides driving stability
- Assembled with a aluminum/ EPDM bond seal washer for a consistent, weather tight seal and improved installation appearance
- Sharp point for quick installation into aluminum, pre punching or pre drilling may be required for 29GA, 26 GA, and 24 GA metal roofing panels.
- Other uses : Steel attachment to ACQ lumber.
- Available painted to match your metal panel color
